Our teaching methodology

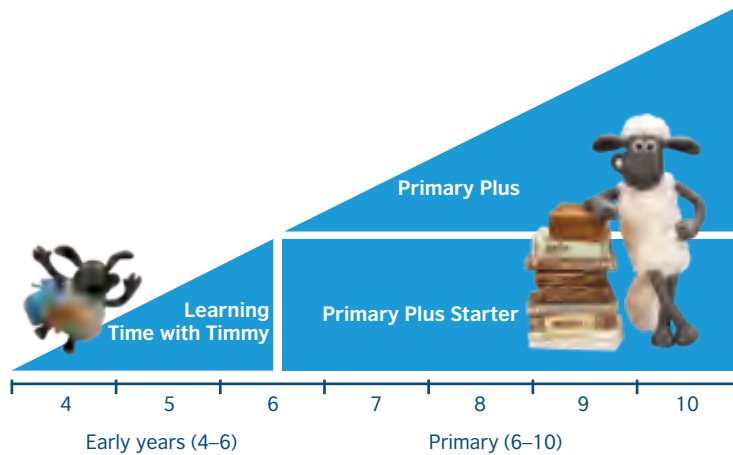

Helping whole child development

Our courses support children in their physical, personal, social and emotional development as well as in developing important life skills such as creativity, leadership and critical thinking.

Student progress

English on-the-go LearnEnglish Kids

Kids will have fun with thousands of interactive activities, games, videos, songs and stories. Now available in Arabic and French!

This British Council site helps children aged between 8 - 12 years to practise their English. It has a new theme each month, and each week sees a new word game and a new link of the week added. Each month there is a new story, a new song and a new set of postcards. There are also materials on the site for younger or beginner learners in the section on the home page called "Help your little brother or sister". This is changed every week, and there are also links to materials suitable for younger /beginner learners. There are also worksheets to print out - two each week: one on the theme, and one about a basic topic for younger children. All materials are archived onto theme pages so that you can access them at any time.

LEARNING TIME WITH TIMMY

BEHAVIOUR POLICY

If a student's behaviour or conduct is detrimental to the welfare of individual students, staff or the efficiency of the teaching centre, it is our expectation that the parents work with us to resolve these issues.

STUDENT BEHAVIOUR

Staff, students and parents all have a role to play in ensuring positive student behaviour. And we expect students to be responsible for their behaviour and conduct while on British Council premises in class time and breaks

Specifically, we ask students to show respect for :

- the teaching center and its staff others and their property
- ethnic, racial, religious and gender differences
- attendance and punctuality
- work habits, and homework
- British council property
- fire alarms and safety equipment

PROCEDURE FOR SERIOUS MISDEMEANORS

In the event of a serious misdemeanor parents will be notified immediately and called to a meeting with a member of the management team.

PROCEDURES FOR MINOR MISDEMEANORS

Step 1 The teacher will talk informally with the student concerned.

Step 2 If the behavior persists, parents will be informed and a member of the management team will meet with the student to issue a verbal warning.

Step 3 The parent/s will be called to a formal meeting to discuss the necessary course of action.

Step 4 In the case of a failure to make the recommended improvements in conduct or behaviour, the British Council reserves the right to suspend the student from all or part of the remaining classes. In such cases, there will be no eligibility for a refund.

Child protection and child safety

The British Council creates international opportunities for the people of the UK and other countries and builds trust between them worldwide. We believe good child protection requires everyone to take responsibility. We recognise that the care and welfare of children is paramount and that all children have the right to equal protection from all types of harm or abuse.

The British Council recognises that we have a fundamental duty of care towards all of the children we engage with, including a duty to protect them from abuse. We achieve this through compliance with UK child protection laws and relevant laws in each of the countries we operate in, as well as by adherence to the United Nations Convention on the Rights of the Child (UNCRC) 1989.

A child is defined by the British Council as anyone who has not reached their 18th birthday (UNCRC 1989) irrespective of age of majority in the country where a child is or their home country.

The British Council is committed to valuing, respecting and listening to children and to keeping them safe.

We have a child protection policy and in-country child protection focal points in all of our centres. If you would like to see a full copy of our Child Protection Policies and Procedures, please ask. Your child's safety is our first concern.

For any inquiries about child protection or safety, please contact our child protection focal point. E-mail Jesse.Pradeep@kw.britishcouncil.org
